## Conditions/Agreements for Volunteers' of 'Project Caravan'

Being a part of "Project Caravan" will require each team member to be very flexible and easily adaptable to situations and conditions that may be less than comfortable. These situations and conditions may include: not being able to shower everyday, start your day as early as 7:00 AM, work in poor weather conditions, etc.

**These are very important questions that must be answered very honestly:**

1. Do you and your family believe that you have the strength and endurance to do the hard work that is required by participating in "Project Caravan"?

---

2. Do you take any prescription medication? (Medication name and reason)

---

---

3. Have you passed out tracts before? \_\_\_\_\_ If yes, When And Where?

---

---

4. Have you ever ordered tracts from Family Radio or E Bible Fellowship before? \_\_\_\_\_

It is absolutely necessary that everyone follows the Team Leader's instructions and respects his/her decisions. If someone has difficulty doing this, he/she will be asked to leave the "Project Caravan".

5. Are you willing to obey and work in harmony with the Team Leader, Even if you think you have a better way or plan than the Team Leader? \_\_\_\_\_

6. If you are single, are you willing to live in the RV with another single individual?

---

7. Are you willing and able to participate fully in the task of passing out tracts?

---

8. If you are faithfully willing to serve in this mission, are you willing to sign the attached agreement? \_\_\_\_\_

9. Are you able to provide for all of your personal expenses: e.g. food and sundries?

---

10. Do you possess any automotive/mechanical skills or experience?

---

11. Have you ever driven a large truck or an R.V.?  
\_\_\_\_\_

12. Is there anything that would limit or restrict your ability to drive a Class 'C' RV day and night? \_\_\_\_\_

We also have decided that it would be very unwise to allow pets on the Caravan.

Each team member will wear clothing that will not be offensive in any way. T-shirts, Sweatshirts, and hats will be worn that identify with May 21, 2011.

You must understand and agree that should you become ill, we will assist you in every way to return home if that is necessary. E Bible Fellowship will NOT be at all held responsible, accountable, or in any way liable, for causing the illness.

**Tell us why you should be selected for this R.V. Caravan mission trip.**

**Acknowledgement & Agreement**  
**for Volunteers of 'Project Caravan'**

I \_\_\_\_\_, hereby fully acknowledge and agree to the following stipulations and conditions set forth in the application, acknowledgement and agreement, as a member of E Bible Fellowship's 'Project Caravan.' I further acknowledge that I have received a copy of this agreement.

1. I fully agree to follow the instructions of the Team Leader, even if I believe I have better ideas than his. I agree to abide by this principle. If I fail to follow his instructions, I agree to immediately return to my home, peacefully and humbly.
2. I fully understand this is not a vacation. I agree to be diligent and faithful in the daily work I am assigned by the Team Leader to pass out tracts.
3. I agree to only pass out Family Radio and E Bible Fellowship tracts.
4. I am in agreement with the truths set forth in the tracts that are handed out.
5. I agree to start the day as early as 7:00 AM and follow the team leader's instruction for any work that is assigned for any given day.
6. Although all members agree May 21, 2011 as the beginning of Judgment Day, some or I may have different understandings of other Bible truths and may express our opinions. I agree never to force my understanding on anyone. I firmly understand that only God can open our spiritual eyes to lead us to the truth.
7. I agree to operate any Family Radio vehicle (RV or Passenger Van) only with permission from the team leader.

There may arise a situation where the mission leadership decides that for the good of the whole mission we believe you should return home immediately. We would be very sorry to have to proceed with this, but if this should come to pass, then the mission leadership would discuss this with you confidentially. We would try to have the arrangements already in place for a plane ticket for your immediate departure. Also, the leadership would simply inform the group after your departure that you are returning home. We are bringing this up ahead of time to lessen any shock that may arise should this come to pass. If it is later determined that a wrong decision was made, then there may be the possibility of assigning you to another group at another time. Or, perhaps the Lord would use you in His service in another way and not in this project.
